

SÉURA MIRRORS

Full Length Lighted Mirrors

Light your look—head to toe—with the beautiful illumination of a full length mirror that’s exceptionally bright, dimmable, and perfect for your modern dressing room, bedroom or bathroom.

Eco-Friendly, Radiant COB LED Technology™

Energy-efficient and long-lasting lighting uses 40% less power than Séura’s previous LEDs, reducing maintenance and electrical costs.

Intuitive Touch Dimming

Tap the mirror to power the lights on and off, or gently touch and hold to dim brightness levels. Smoothly adjust light intensity to match your preference.

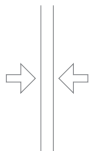

Direct Task Lighting

Séura’s Lumin etched lighting design projects light forward, lighting your full appearance without casting any shadows.

Beauty Lighting

Séura combines a 90+ CRI rating with a 96 R9 value (red color) to bring your vibrant skin tones to life, providing the ideal light for applying makeup.

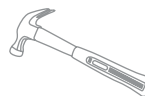

Slimmest Profile

Lighted mirrors are surface-mounted to a wall and extend only 1.5-inches from the wall, becoming an integrated fixture in your room.

Durable Mirror with Crystal-Clear Reflection

Séura’s copper-free mirror glass with UV protective coating is not susceptible to black edge corrosion caused by ammoniated cleaners and humid environments.

Easy Wall Mounting

Includes easy-to-install wall mounting system and comes with a 6-foot cord to be plugged into a wall outlet or can be configured for hard-wire installation for that free floating appearance.

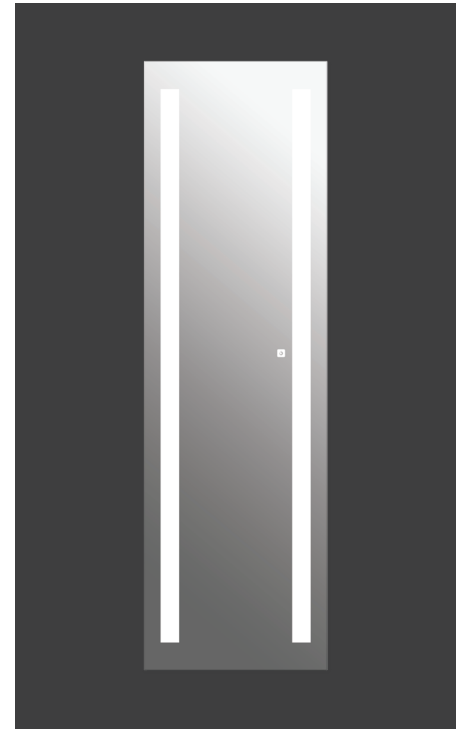

Built in the USA

Designed and manufactured in Wisconsin, Séura mirrors are created upon order – enabling an unmatched level of control and craftsmanship with each and every mirror.

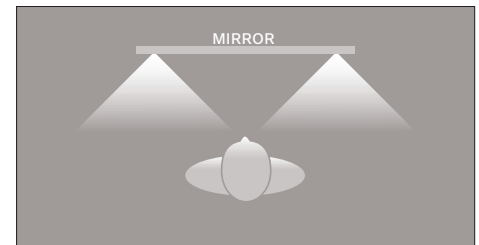

Full Length Lighted Mirrors

GENERAL	ETCHING DESIGN	Lumin
	STANDARD MIRROR SIZE	18" w x 60" h
	MIRROR GLASS	1/4" silver mirror glass provides accurate, crystal-clear mirror reflection
	CORROSION FREE MIRRORS	Copper-free mirror glass is not susceptible to black edge corrosion
	UV RESISTANCE	UV Protective coating applied to mirror glass
	GLASS ETCHING	Back-sided etching with smooth front surface that doesn't collect dust or grime and makes cleaning easy
LIGHTING	LIGHTING TECHNOLOGY	Radiant COB LED Technology™
	MIRROR BRIGHTNESS	2x brighter foot candles vs. previous Séura lighted mirrors
	COLOR RENDERING INDEX (CRI)	90+ CRI, R9 Value of 96
	COLOR TEMPERATURE	3000K neutral light color
	POWER CONSUMPTION	4.6 watts/foot, 40% less power consumption vs. previous Séura LEDs
	EFFICIENCY	100 lumens/watt, 25% more efficient vs. previous Séura LEDs
	LAMP LIFE	50,000 hours at L70
	SUSTAINABILITY	Mercury-free, long-lasting, high-efficiency LED lighting saves energy and reduces environmental impact
	DIMMING	In-mirror capacitive touch dimming control
	LIGHTING CONTROL	Power On/Off/Dimming touch control adjusts light brightness
INSTALLATION	PRODUCT DEPTH	1.5"
	CONFIGURATION OPTIONS	Ships with 6' grounded plug; electrical disconnect and hardware included for hard-wired configuration
	CHASSIS	Powder coated steel construction is highly durable; reflective gloss white housing allows brightest light output
	HOUSING CONSTRUCTION	Slim design positions LEDs closer to mirror etch and white housing color allows brightest light output
	WALL MOUNT	Includes mounting and hardware for surface installation
	ELECTRICAL ENCLOSURE	Open back housing to easily locate and make electrical connections
OTHER	WARRANTY	Lighted Mirrors (excluding imported Lighted Mirrors) with respect to Séura's labor, glass, structure, and assembly for seven (7) years; electrical and LED light strips for five (5) years; mirror technology with respect to Séura's labor and parts including clocks, night lights, defoggers, dimmers, and touch controls are covered for three (3) years.
	CERTIFICATIONS AND COMPLIANCE	ETL listed to conform to UL and CAN/CSA safety requirements; LEDs are UL Listed, CE certified, RoHS certified; UL 1598 certified for damp locations; code compliant hard-wiring or use UL plug
	TITLE 24 COMPLIANCE	Compliant with Title 24 Building Energy Efficiency Standards

Task Lighting

LIGHTING TYPE

Task Lighting
Delivers, bright, direct light for tasks at the mirror

100% Full Brightness

Experience fresh, bright lighting for daytime routines such as hair, makeup, grooming and overall preparation.

70% Medium-High Brightness

An upbeat addition to your home, this setting helps light the space for mid-day productivity.

40% Medium-Low Brightness

Relax and unwind with mood-nourishing Task + Ambient light for a mellow and romantic atmosphere.

10% Low Lighting

Add a glow of comforting low light in late evenings to set the tone for movie time or rest.
